

ILLINOIS GAMING BOARD

Press Advisory

For
Immediate Release
August 12, 2019

The Illinois Gaming Board has received numerous inquiries and is aware there is much interest in the status of the Chicago casino feasibility study. For planning purposes, the Gaming Board expects Union Gaming Analytics to submit the study after the close of business later this evening, Monday August 12, 2019. Accordingly, the Gaming Board will deliver the study to the statutory stakeholders and share it with the press and the public after opening for normal business hours on Tuesday August 13, 2019. We will release the study simultaneously to the statutory stakeholders, press and public.
